SPAD Land Public Transport (LPT) Exhibition

Date: 23 October 2017

MMC Gamuda was the main partner at the recent SPAD Land Public Transport Exhibition, held at the Kuala Lumpur Convention Centre on Oct 22-23, 2017.

The exhibition highlighted current and upcoming infrastructure initiatives in Malaysia, particularly new railway projects that will transform the face of the local transportation network in the country, for greater mobility and connectivity, including the HSR and ECRL.

Prime Minister YBhg. Datuk Seri Najib Tun Abdul Razak, who visited the exhibition on Monday, expressed hope that Malaysia would be able to export rail technology in 10 years.

MMC Gamuda stood tall among other global rail conglomerates vying for future projects planned for Malaysia, having completed the country's first MRT Line which showcased its end to end rail expertise.
