The award is reserved for the person or group that comes closest to fulfilling the criteria of heroism, altruism and inclusivity.

Since 2011, Barefoot Mercy has been working to uplift the livelihood of rural Sarawak by improving access to electricity, education and commerce.

Their efforts resonate with our goal to invest in community-building and support communities secure a better quality of life through opportunities in education, economic participation and a better environment via our philanthropic arm Yayasan Gamuda.

This year's awards are proudly supported by Yayasan Gamuda.
